EDUCATION

University of Mitrovica 'Isa Boletini'

Bachelor of Computer Science
and Engineering

2022 - Present

SKILLS

- Python
- SQL
- Machine Learning
- Node.js
- ExpressJS
- MongoDB
- HTML
- CSS

LANGUAGES

- Albanian (native)
- English (fluent)

SUMMARY

Motivated and detail-oriented professional with a strong foundation in Python, SQL, and problem-solving. Bringing 10+ months of hands-on experience, currently developing skills in data analysis and machine learning through projects and practical work.

WORK EXPERIENCE

01.09.2025 - 01.03.2026

NOVUS - Software Developer

- Developed and maintained backend features using Node.js (Express.js) for internal company applications.
- Worked with SQL databases to perform queries, data modeling, and improve data consistency.
- Collaborated in a team environment using version control (Git) and agile workflow practices.
- Assisted in debugging and improving application performance and reliability.

02.03.2026 - Present

Genpact - AI Engineer

- Working on AI/ML-based solutions with focus on data analysis and model improvement.
- Preprocessing and analyzing datasets using Python to support machine learning workflows.
- Collaborating with cross-functional teams to translate requirements into technical solutions.
- Continuously improving skills in machine learning, data engineering, and backend integration concepts.

CERTIFICATIONS

- Databricks Certified Machine Learning Associate
- Databricks Certified Generative AI Engineer Associate
